

Generation Google Scholarship

At Google, we believe information should be universally accessible. Our education and scholarship programs aim to inspire and help students become future leaders in computing and technology by breaking down the barriers that prevent them from entering these fields. The Generation Google Scholarship was established to help **aspiring computer scientists** excel in technology and **become leaders in the field**.

Selected students will receive **10,000 USD** (for those studying in the US) or **5,000 CAD** (for those studying in Canada) for the 2018-2019 year and will be invited to attend a **three-day Scholars' Retreat at Google's headquarters** in Mountain View, CA in 2018.

DEADLINE TO APPLY:
