

# Women Techmakers Scholars Program

Through the Women Techmakers Scholars Program - formerly the Google Anita Borg Memorial Scholarship Program - Google is furthering Dr. Anita Borg's vision of creating gender equality in the field of computer science by encouraging women to excel in computing and technology and become active leaders and role models in the field. The program consists of the following elements:

- An academic scholarship award of \$10,000 USD
- An invitation to the scholar's retreat at Google's headquarters in Mountain View, California
- Membership in a global community Women Techmakers Scholars
