

Presidential Fellowship Guidelines – Fall 2022

The purpose of the Presidential Fellowship is to attract top-quality graduate students into doctoral degree programs at Florida International University. Students are awarded these Fellowships based on their potential to become outstanding scholars and future leaders in their disciplines.

Presidential Fellows receive a stipend of \$31,050 per twelve months for four years. The University Graduate School (UGS) will provide the stipend for two of the four years and the unit is expected to provide the stipend for the remaining two years. In addition, the UGS will provide a tuition fee waiver for 24 credits per year and health insurance for 2 years of the fellowship.

During the two years of support from UGS, there are no teaching obligations on the part of the recipient.
