1. How to Access Online Dissertation Milestones

A. Major Professor/ All Committee Members/ GPD/ Deans

Step 1 – Login to https://mycs.fiu.edu/psp/stdnt/?cmd=login and select your Faculty Environment

Step 2 – Select the Approvals tile

B. IMPORTANT CLARIFICATIONS

1. Approvers Role

As faculty may have more than one role within dissertation milestones (i.e. Both Committee Member as well as GPD), the role under which they are approving as is listed accordingly. See samples below.

Furthermore, the DAS status will appear next to the name of the Major Professor ONLY. The status of the FIU Committee Members will show as GF (even if they have DAS).
Sample 1 shows a faculty member who has two dissertation proposals awaiting review and sign-off, both as a committee member to one doctoral student, and as a graduate director to another doctoral student.

Sample 2 shows a faculty member who has a dissertation proposal awaiting review and sign-off, as a committee member.

Sample 3 shows a faculty member who has one dissertation oral defense for one doctoral student and a dissertation proposal for another doctoral student, awaiting review and sign-off, as major professor.

C. Non-FIU Committee Members

1. Data and Privacy Attestation

Be advised that the University does require mandatory sign-offs on Data and Privacy attestations to access FIU online platforms, such as PantherSoft. Hence, any individual who will have access to our students’ records will need to submit their attestation to the Data and Privacy on PantherSoft.

See sample below.

2. PantherSoft Access

Please note that Non-FIU committee members will require additional processing time. The University’s HR department requires Panther IDs and Information Technology (IT) credentials for any person not affiliated with FIU. Therefore, UGS must work with the FIU Human Resources
as well as with the Division of Information Technology to obtain login credentials for non-FIU committee members.

3. Providing IT and Login Details

Upon receipt of IT credentials from both FIU Human Resources and FIU Division of Information Technology, the UGS will provide IT credentials and login instructions to Non-FIU committee members via email.

Two-Factor Authentication (2FA) is required for any individuals accessing FIU PantherSoft, and that will include Non-FIU committee members.

Be advised that the IT credentials provided for Non-FIU committee members (for annual evaluations login) PRIOR to this Online Dissertation Milestone project remain the same.

4. Access and Approval of Online Dissertation Milestones

Non-FIU committee members will access the Online Dissertation Milestones in the same manner as FIU faculty. Please refer to Section 1.

D. Online Dissertation Milestones Deadlines

1. UGS Deadlines

Doctoral Dissertation Proposal

▶ Status Bar
Approval Status: View Only
Previous Approver Comments:

▶ Instructions
If applicable, prior to filing the proposal, the dissertation committee should meet with the student for an oral defense of the proposal. The proposal must be accepted by the UGS at least three semesters prior to graduation. It is understood that the dissertation may evolve in directions quite different from the dissertation proposal, and that the proposal is not intended to restrict the normal development of a research project. The dissertation proposal is in no way a contract between the University and the student. Depending on the outcome of the research, the dissertation may require substantially more work than anticipated at the stage of the dissertation proposal. The termination of a line of research and the adoption of a substantially new dissertation project will require the oral defense of a new proposal and approval of the proposal by the UGS.
