

Provost Degree Completion Tuition Fellowship Guidelines – Fall 2024

The Provost Degree Completion Tuition Fellowship is intended to facilitate degree completion by providing tuition waivers for Ph.D. students whose Graduate Assistantships (GAs), UGS Fellowships, or other funding have expired, and who are nearing the completion of their degree and are facing *extenuating* financial circumstances that will prevent them from being continuously enrolled in their Ph.D. Program. This fellowship is awarded for a *maximum of two terms*. If the student is awarded this fellowship and fails to complete the degree within the allocated term(s), the respective college will lose a corresponding tuition waiver. **Dissertation Year Fellowship (DYF) recipients are not eligible for this award.**

Funding decisions will be based on certainty of graduation within one or two terms, history of funding for the student by UGS and/or the College, and student performance (including time to-degree).

NOMINATION PROCEDURE:

Nominations must be submitted to ugsfellows@fiu.edu in a single pdf. file by the College Associate Dean for Graduate Education during the term prior to the term in which the tuition fellowship will be used.

Nominations for the Fall 2024 award must be submitted by **Sunday, June 23, 2024.**

SUPPORTING DOCUMENTATION:

1. Nomination Form including attestation signed by both the student and the major professor that the student will complete the degree by the proposed timeline (attached).
